

'Growing together at the Heart of God's Community'

19th May 2023 - Our "Value for life" is "Creation".

"Let there be light" and there was light. Genesis 1:3

Head Teacher's Hello

Dear all,

It has been a packed week this week, a huge well done to our year 2 children who have been quietly getting on with the year 2 SATs assessments, these will be part of the teacher assessment for our lovely children and they have made us proud. Children have been talking about how we can celebrate reading and have come up with a reading reward challenge. It will be called the reading ladder and we will be launching this next half term. A highlight of my week was when a child told me he loved our school because it can be a place that we show true kindness and love. What a beautiful thought from a thoughtful young person. We have also been recognising how another important part of God's creation is YOU and we must take the time to not only to be the best that we can be BUT realising that we are ALL special and unique. Mrs Mowbray.

"Weeds are flowers, too, once you get to know them."

We are a church school...

We have been exploring how God made everything as well as he could, which is perfect! We can't be perfect, because we're not God, but we can choose to do everything as well as we possibly can. Children were asked to think about the work they will be doing and to picture their books, their PE kit and **silently ask God to help them do all those lessons well as they possibly can. And after each piece of work, take a moment to sit back and say to yourself, 'That's good!'**

Education update: where we inform on educational research and thinking.

What are topic feed backs -at school we introduce these at the end of a topic to provide an opportunity for children to tell us how THEY think they have done in achieving their learning objectives AND for them to tell us what they enjoyed most in learning and what would make it even better.

The **HEART** of our Curriculum:

- H** - Helping children prepare for life, growing with God.
- E** - Embracing Christian Values.
- A** - Achievement for all.
- R** - Reading at the **heart** of our school
- T** - Teaching a knowledge rich curriculum.

Our Trust's Prayer
Heavenly Father,
Let peace, friendship and love
grow in our schools.
Send the Holy Spirit to give
excellence to our learning,
love to our actions and
joy to our worship.
Guide us to help others,
so that we may all
Learn, Love and Achieve,
Together with Jesus.
Amen

Glazebury C of E are proud to host our first "Career Aspiration Day" which will be held in our school hall. Our **HEART** curriculum includes a focus on aspirations. This event will allow children at Glazebury to discover the knowledge and skills they would require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 27th June in the afternoon?

What does it entail?

If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children and be prepared for them, in year groups, to listen to your expert knowledge and ask questions.

If you think you will be able to help and provide this vital service to expand our children's aspirations Please contact our school office for further details (glazeburyprimary@ldst.org.uk)

The **HEART** of our Curriculum:

- H** - Helping children prepare for life, growing with God.
- E** - Embracing Christian Values.
- A** - Achievement for all.
- R** - Reading at the **heart** of our school
- T** - Teaching a knowledge rich curriculum.

School Clubs – Thank you to all that took the time to complete the club survey, your views are important to us. We will review your feedback after the half term holidays and get back to you with our plans for clubs from September.

Clubs for next half term will be available on ParentPay to sign up from Monday 22nd May.

Monday – Athletics with Mr Wood

Tuesday – Gardening with Mrs Holcroft

Wednesday – Board Games with Mrs Bimson

Thursday – Field Games with Mr Wood

Please can all children have their school water bottles with them in school every day. It is so important that they keep hydrated during the day. If you wish to purchase a new water bottle, these are available via ParentPay @ £2.00 per bottle (including lid) or 50p for a new lid. They can then be collected from the school office as we do have them in stock.

What is Early Help - Warrington Borough Council have asked us to share with our families:-

Early help means taking action to support a child, young person and their family early on when a situation emerges. It can be required at any stage in a child's life from pre-birth through to adulthood and applies to any situation or need that the family cannot deal with or meet on its own. Early Help is a strength-based approach enabling families to develop the skills to prevent issues from getting worse by offering the right support at the right time.

Any professional working with a family, such as those based in schools, health services, or in voluntary sector organisations, can offer early help services by responding to identified needs in order to offer advice, support and intervention. Early help is provided to prevent or reduce the need for statutory or social care interventions wherever possible.

We want the services supporting children and families to work much more closely together, forging lasting and meaningful relationships that improve the lives of the children of Warrington in the short, medium and long term, whilst enabling families to develop skills to be independent and feel empowered.
